### **Written Testimony**

As a Property Manager, condo owner, single family home owner, I see all aspects of the City refuse service as being positive. The condo residents of this city deserve the same city refuse service as single family homes. PERIOD. We all pay taxes. Those taxes should be appropriated in a way to fund our city refuse division and keep our island clean. The budget committee needs to find a way to fund this project and get rid of others that suck the life out of our state. Start drug testing everyone who applies for food stamps for a start. Drug addicts should seek help, not monetary help from our state so they can feed their addiction. use you heads people!
